 <p>The image shows the old packaging for Cosentyx 150mg injection pens. The box is white with purple and red accents. It contains two pre-filled pens. The text on the box includes: 'PRESCRIPTION ONLY MEDICINE', 'KEEP OUT OF REACH OF CHILDREN', 'Cosentyx® 150mg secukinumab (rch) solution for injection in pre-filled SensoReady pen', '可善挺 注射液劑 150毫克/毫升', 'for subcutaneous administration', and 'Two pre-filled pens, each containing 150 mg secukinumab (rch) solution for injection in pre-filled SensoReady pen'. The Novartis logo and 'AUST R 218800' are also visible.</p>	 <p>The image shows the new packaging for Cosentyx 150mg injection pen. The box is white with purple and red accents. It contains a single pre-filled pen. The text on the box includes: 'Cosentyx® 150mg/mL secukinumab 150 mg/mL', '可善挺 注射液劑 150毫克/毫升', 'Solution for injection in a single-use pre-filled SensoReady pen', '本藥劑由醫藥師使用，每支藥劑含有150mg可善挺', 'à usage unique SensoReady® / Solución inyectable en pluma pre-cargada SensoReady® para uso único', 'For subcutaneous use only / Voie sous-cutanée uniquement / Únicamente para uso subcutáneo', and '1 pre-filled pen 150 mg / 1 stylo prérempli 150 mg / 1 pluma precargada 150 mg'. The Novartis logo is also visible.</p>	

原包裝為「每盒2支裝」，自批號SAY63起，變更為「單支裝」，而外盒尺寸隨之變小。待2支裝包裝用完，由單支裝暫代。
