<p>舊包裝</p>	<p>新包裝</p>	
 <p>The image shows the old packaging for Cosentyx 150mg/mL. It features the product name in both English and Chinese, along with detailed instructions in multiple languages. A prominent label indicates '300mg = 2 x 150mg'. The packaging includes the Novartis logo and various regulatory information.</p>	 <p>The image shows the new packaging for Cosentyx 150mg/mL. It features the product name in both English and Chinese, along with detailed instructions in multiple languages. A prominent label indicates 'Two pre-filled pens, each containing 150 mg secukinumab (rch)'. The packaging includes the Novartis logo and various regulatory information.</p>	

因原包裝藥品供應不及，廠商緊急向澳洲調度批號SAF51藥品至台灣，此藥品包裝文字排版與原包裝略有差異，亦增加筆型圖樣，而產品成分含量、製造廠與製程皆相同。該批號售罄後，即恢復原供應之包裝。
